

The background features a complex, light gray geometric pattern. It consists of several concentric circles, some of which are dashed. Overlaid on these are various arrows: some are solid and point in different directions, while others are enclosed within circles. The overall aesthetic is technical and futuristic.

Capita anche questo: il popolare navigatore una centralissima via di Milano, pensando che anziché un cognome l'utente si riferisca a un insulto

Intelligenza artificiale, ma non troppo. Google Maps, attivato da comando vocale su un normale smartphone Android, non ha di meglio da fare che censurare **via Adalberto Negri**, ritendendolo un insulto razzista.

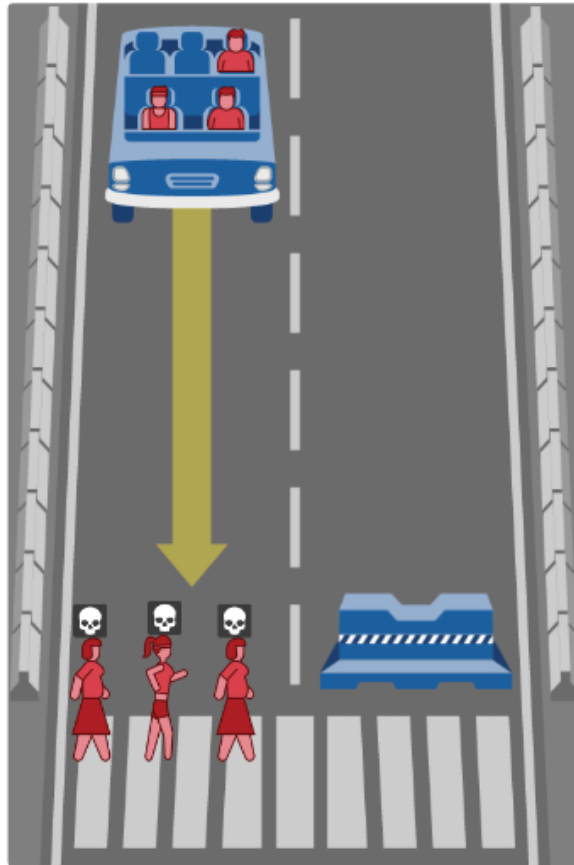

# LA QUESTIONE ETICA

What should the self-driving car do?

In this case, the self-driving car with sudden brake failure will continue ahead and drive through a pedestrian crossing ahead. This will result in ...

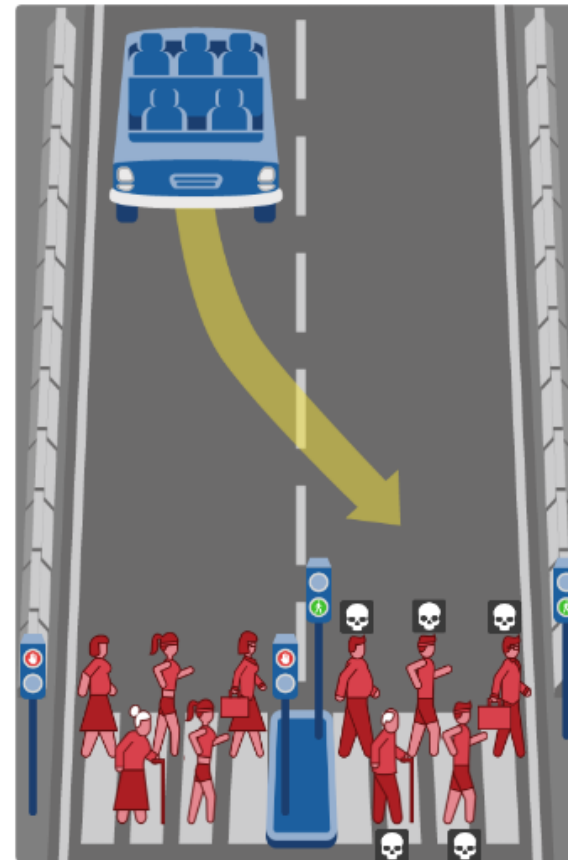

Dead:

- 1 large woman
- 2 female athletes
- 1 female executive
- 1 elderly woman

Note that the affected pedestrians are flouting the law by crossing on the red signal.
